

Links for Beginning Theory & Other Tools

Music Theory

This site is full of lessons and exercises on basic music theory:

- <http://www.musictheory.net/>

Note Recognition Links

Click on each line of text or use the arrows on the bottom right corner to navigate through each lesson or exercise. Don't forget to turn the volume to "on" on your computer!

- Staff & Ledger Lines: <http://www.musictheory.net/lessons/10>
- Note Duration/Rhythm: <http://www.musictheory.net/lessons/11>
- Rests/Rhythm: <http://www.musictheory.net/lessons/13>
- Dots & Ties/Rhythm: <http://www.musictheory.net/lessons/14>

The following Link brings you to the **Exercises** section of this website. Click a topic (i.e. "Note Identification") then scroll to the bottom left and click the box "Start exercise". Check out the Keyboard & Fretboard Identification.
